Dear Mr Warnes,

This is to thank you and all at Arnold Page High Twelve Club No 298 for your contribution of £300 to our charity.

Our charity helps people with Multiple Sclerosis, and a number of other conditions, and is entirely self-funded, so all donations go directly to ensure that our members continue to receive the oxygen treatment we provide. So, from me, from our Board, and from all of our members, I would like to thank you and to assure you that the monies will go directly to help our members.

We are currently engaged in trying to improve our premises, which will enable us to offer further services to our members. As such, all funds raised are very much appreciated. You and your members are always welcome to pay us a visit to see more of what we do and how your contribution helps our members.

On a personal note, please may I thank you for your generous welcome to my colleagues, Eddie and Audrey, when they attended the cheque presentation.

Best regards,

Sean Chrysanthou, Administrator
